## Parent Testimonial

"I wanted to share how great of an experience our kids had at Kids Club this summer. Specifically, Janet has had such a positive impact on the programming and with the menu change, etc. She has also gone above and beyond with some of our kids' needs, and is a great influence for them. You can tell she is very experienced and passionate working with kids, and as a parent I'm so grateful they are in such great hands."

## Call for reservations during your stay

For the safety and security of all guests, a parent or guardian of any child in the Kids Club must remain on the Club/Resort premises at all times while the child is in Kids Club.
